# Motherhood

We would like to invite women to connect intergenerationally, collectively for sharing stories, disciple-making and be a bridge to women in our community.

## Inspiring Talks, Empowering You

Be edified by various topics covered by our inspiring speakers. Connect with other women intergenerationally while being pampered over morning tea.

Also, if you are bringing a baby or a pre-school age child along, a team of our dedicated volunteers are available to assist you with them.
